

 Principle:

 How does this principle “Flip the Script” on Trauma?

 What this principle means to me:

 We will know we have made positive change with this principle when

 My Personal Strengths related to this principle	 My Organization’s Strengths related to this principle	 My Personal Challenges related to this principle	 My Organization’s Challenges related to this principle

“Into Practice” Implementation Ideas:

 1 -3 things I will commit to personally (*that are within my zone of control*):
